

## Find an Item Downstairs

- We have a map [here](#), but we understand that may still be confusing
- Any staff member at the Circulation Desk can show you where an item is; just ask!
  - Make sure you have the item location (i.e. “Circulating Collection”) and call number (i.e. PZ 7 .A92 2003)
  - If you don’t have that, or don’t know what it is, just make sure you have the title and author of what you’re looking for, and we can help you find it!
